About Vince

Vince was brought up from a young age into the pick up world, learning the basics as soon as he got into the magic scene. With a hypnotism background, Vince became a very good socialiser and added 'pick up' to his natural talent to become what he is today. Vince has now expanded his skills and has started working for Get me the Girl and as a Senior Coach.

MASTER PUA

Vince's role at Get me the Girl

A majority of the 2 day pua courses are hosted and run by Vince. He also runs the lairs within Leicester, Nottingham and Derby. Vince is the lead coach at GMTG.

Testimonial

I really enjoyed the weekend I spent in Bristol, firstly Vince came across as cool, friendly, down-to-earth guy and it was great to meet a like-minded person who agreed that

expanding your social circle by meeting strangers in the street was not only a good idea but essential in order to have the best mix of people in your life.

Vince's lines and feedback were great and by the end of the weekend I felt I had made the most of all the approaches I'd made and was much clearer on what I was good at and what needed extra work! **GD, Newcastle**

Case Study

Michael came to Get me the Girl a virgin, lacking fashion sense, never had a girl-friend and lacking fun in his life.

Socialising was an area of his life he struggled with.

For Michael, it wasn't just about learning how to pick up women, but to kick start his life in all areas. A one-on-one with Vince did exactly that, and with some NLP and image work too, Michael was a new man. With energy and determination, Michael excelled with his pick up, and within a week was getting consistent numbers.

Now with a new persona, Michael took his new found confidence and applied it to all areas of his life and now not only lives with the girl of his dreams, but is enjoying a successful career, an adventurous life style and a look to be proud of.
